Press Release

The Government of Nepal deplors the nuclear test carried out by the Democratic People's Republic of Korea (DPRK) on 09 September 2016, defying the relevant resolutions of the United Nations Security Council and the calls of the international community.

In line with its consistent policy of general and complete disarmament of all weapons of mass destruction, Nepal stands against such tests. We call upon the Government of the DPRK to refrain from such acts. Nepal wishes to see peace and stability on the Korean peninsula.
